Linen and Equipment Preparation Personnel / Party & Events Industry - Midwest Rentals

Job Type: Full-time

Salary: \$10.00 to \$12.00 /hour

Position Tasks & Activities:

- Clean and iron linens.
- Wrap and package linens and equipment.
- Uphold the quality control standard of the company.
- Restock cleaned and packaged linens and equipment.
- Inspect returned linens and equipment.
- Check in orders daily.
- Prep equipment for the day or week for customers or delivery drivers.
- May occasionally need to assist in setting up equipment for events at various locations in a 60-mile radius from the home office.

Nature of the Work:

To clean food service equipment, i.e. china, flatware, linens, glassware, chafers, grills, etc. There is a high degree of lifting and a significant degree of standing, walking, bending, and transporting objects of various weights and dimensions. Daily use of washers, dryers, and flat work ironers, which release hot air. Exposure to above average temperatures is prevalent. Must accept and follow instructions from supervisors.

Working Conditions:

Most work will be indoors with general warehouse conditions, in which some work areas may not be heated or air conditioned. The typical tools (hampers, dollies, racks, etc) can be considered hazards. The exposure to moving belts is continuous in the ironing function. There is exposure to detergents, bleaches, cleaning chemical, hot water, and hot linens.

Education, Skills, & Requirement

- High school or equivalent (Required)
- Chauffeur driver's license (Required)
- Must speak English.
- Must be able to lift approximately 70 lbs.
- Must pass company drug screen.
- Must maintain an acceptable attendance record.
- Must have a cooperative working relationship with co-workers.
- Computer knowledge is preferred.
